MADRAS PORT TRUST.

ACCOUNTANT-GENERAL'S AUDIT REPORT ON THE ACCOUNTS OF THE
MADRAS PORT TRUST FOR 1933-34.

Letter from K. R. S. Rao, Esq., M.A. (Cantab.), Accountant-General O.A.D. Section,
Madras, and K. K. Iyer, Esq., M.A., Treasurer, On-site Assets, Madras,
Auditors of the Madras Port Trust, to the Trustee of the Port of Madras, dated
Madras, the 16th August 1934, No. O.A. 22-3-33-348.

[Audit report on the accounts of the Madras Port Trust for the year 1933-34.]

We have the honour to report that the Revenue, Capital and Minor Accounts of the
Madras Port Trust for the year 1933-34 have been checked to the extent permitted by
the Auditor-General, with reference to the rules and regulations laid down from time to
time by the Madras Port Trust Board and the Government of Madras.

2. The cash and security balances at credit of the Revenue, Capital and other Minor
accounts on the 31st March 1934, have been verified with the pass books, sale custody
receipts of the Imperial Bank of India, Madras, and with the short-term deposit receipts
of the Chartered Bank of India, Australia and China, Madras.

3. The market value of the Government securities on the 31st March 1934, held on
account of the different accounts of the Trust and detailed in Appendix VII to the Adminis-
tration Report for 1933-34 has also been verified and corrected where necessary.

As regards the valuation of the value of Government securities accounted for in the
several appendices to the administration report, it is suggested for the future, that, in
order that the accounts may correctly represent facts, the purchase value of the Govern-
ment securities should be recorded in the accounts and not their face value. The result
of exhibiting their face value in the accounts is that they do not show either the assets or
the liabilities correctly. For example, the securities purchased out of the Provident Fund
have been shown in Appendix VI to the administration report at their face value of
Rs. 15,00,000 instead of at their purchase value of Rs. 15,91,318-6-7. As a result, the
balance in the fund is wrongly shown as Rs. 14,39,222-4-1 while the actual liability, on
31st March 1934, as worked out from the ledgers is Rs. 16,11,542-10-8. If the purchase
value, viz., Rs. 15,91,318-6-7 were shown in the appendix, it would represent correct
facts and the corresponding figure on the liabilities' side would represent the actual
liability of the Trust, viz., Rs. 16,11,542-10-8—note statement No. E-2 enclosed herewith.
Similar remarks would apply to other items of Government securities appearing in
Appendices IV, V and VI to the administration report.

Appendix VII to the administration report may be prepared, in future, so as to show,
for each of the different accounts of the Trust, the market value of the securities belonging
to that account as compared with the purchase price, in the following form:—

Description of securities.	Market or face value.	Total face value.	Purchase price.	Market value.

A Comparative statement of revenue receipts and expenditure for the years 1933-34 and 1934- 35 (Revenue Account).				
B Comparative statement of receipt and expendi- ture (Provisioning account) for the years 1933-34 and 1934-35 (Capital).				
C Comparative statement of receipt and expendi- ture, Madras Port Trust, for the years 1933-34 and 1934-35.				
4 Statements of the accounts of the funds noted in the margin and tested in the Board are herewith appended with reference to the orders in G.O. No. 314, Finance (Madras), dated 22nd June 1931. Statements A, C and D are true copies of Appendices I, IV and V of the Trust's				

- D Comparative statement of receipt and expenditure, Madras Port Trust, for the years 1931-32 and 1932-33
- E Statement of receipts and charges of the Madras Port Trust's President Fund for 1932-33
- F Statement of receipts and charges under the Board's account for 1932-33
- G Statement of receipts and charges under the Police Board's Home Charity Fund for 1932-33
- H Statement of receipts and charges under the Municipal and Improvement Fund for 1932-33
- I Statement of receipts and charges under the Welfare Fund for 1932-33
- J Statement of receipts and charges under the Revenue Account Fund for 1932-33
- K Statement of receipts and charges under the Locking Charge Fund for 1932-33
- L Statement of receipts and charges under the Madras Port Trust's Shipping Losses Sinking Fund for 1932-33.

5. In the case of the President Fund accounts, however, the purchase value of the securities has been given in the accounts maintained by the Port Trust. The figures given in paragraph 3 have been taken from these accounts. A statement (B. 5) showing the assets and liabilities of the Madras Port Trust President Fund for 1932-33, is also attached to this report on the basis of the purchase value of the securities recorded in the accounts maintained by the Port Trust.

6. In the Appendices I, IV, V and VI to the administration report and in the Statements II to J attached to this report, the figures shown against "Profit on investments" represent the difference between the face value of the securities purchased or sold during the year and their actual purchase price or sale price, as the case may be. If the accounts are viewed so as to show the actual assets as represented by the purchase price of the securities and the Trust's actual liabilities, the amounts shown against "Profit on investments" or "Loss on investments" will be the difference between the purchase price and the sale price as it should be. The net difference between the sale price and the purchase price is, at fact, the real profit or loss, as the case may be during the year, and not the difference between the face value and the purchase or sale price. It is, therefore, suggested that wherever securities form part of the assets, the accounts should be revised in the manner indicated above.

7. The outstanding balances of the several loans shown in Appendix II to the administration report for 1932-33 have been checked with the balances in the books of the office and corrected, where necessary.

8. A report on the accounts of the Madras Port Trust's Engineering Works Expenditure for 1932-33 was submitted to Government, through the Chairman, Madras Port Trust, with the office No. O.A. 10-2-523, dated 14th June 1934/5th July 1934.

9. The irregularities noticed in the course of audit were communicated to the Chairman in the monthly objection statements and the audit notes and were rectified with the exception of a few items, which are awaiting settlement, in the usual course.

10. Financial position, 1932-34.—The statement below gives an idea of the receipts and expenditure of the Port Trust during the six years 1927-28 to 1932-33. It will be seen that except in the years 1931-32 and 1932-33, the gross expenditure exceeded the receipts. The net expenditure after deducting the amounts transferred to capital works and reserves fund was, however, within the revenue collected, except in the year 1932-33. As compared with the year 1932-33 the receipts during 1933-34 show an increase of Rs. 79,000 and the net expenditure has decreased by Rs. 2,72,000.

11. Distorted claims.—As a result of two suits filed in the Madras High Court by the Central Bank of India and the Mercantile Bank of India against the Madras Port Trust for failure to deliver to them certain goods and bags brought by train for export by Messrs C. K. N. Appay & Sons (since liquidated insolvent), and pledged to them by the firm by assignment of railway receipts for loans advanced to the firm, judgment was passed holding the Trust liable for the value of 3,532 bags (Rs. 25,826-13-4) not delivered to the Central Bank and of 2,387 bags (Rs. 51,066 roughly) due to the Mercantile Bank. The former amount has been paid provisionally pending the result of an appeal filed against the High Court's judgment, while the decree in the latter case has not yet been passed, pending the result of an appeal to the Privy Council, in another similar case between the Official Assignee and the Mercantile Bank.

12. Accounts Manual for the Madras Port Trust.—The need for the reorganisation of a manual for the Madras Port Trust accounts for the instruction and guidance of the officers and subordinates of the Port Trust as well as of the audit staff was pointed out to the Chairman in January 1928 and again in May 1933. The Chairman has since agreed to compile an Accounts Manual and get it ready by December next.

Administration Report for 1933-34. In all the statements, the face value only of the Trust's investments in Government securities has been shown, as their purchase price, except in the case of the Provident Fund account, is not readily ascertainable.
